INTRODUCTION

- The College of Nursing-Riyadh, originally was “College of Nursing and Allied Medical Sciences”
- In 2005, the College was incorporated into the newly established King Saud bin Abdulaziz University for Health Sciences (KSAU-HS).
- In May 2007, it was given its new designation “**College of Nursing, Riyadh**”.

PROGRAMS OFFERED

- The College awards a **Bachelor of Science in Nursing** (BSN). Its intake from secondary school graduates.
- Currently, the College has open its doors to postgraduate students offering a **Master Degree in Nurse-Midwifery** with the first intake started in the Spring Semester of the Academic Year 2015-2016.

Admissions for additional programs are to be offered in the near future to expand the profession of Nursing with qualified and competent Saudi nurses.
