Digital Library Services

Digital Library Services provide a single point of access to all international scientific databases available to NGHA, KSAU-HS and KAIMRC.

To access the Digital Library Services:

1. Inside NGHA campus: visit the NGHA site, click e-services and then click on the medical library service icon at the bottom of the page, then select and click which service you would like to use.
2. Outside NGHA campus: just type <http://www.ac-knowledge.net/ngha> for the URL address.
3. Registration is optional for new users. All you have to do is login and search.
4. Registration and Login button is at the

upper right hand corner of the page.

Please be informed that Up-to-Date is available and could be accessed only through
