

جامعة الملك سعود بن عبد العزيز للعلوم الصحية
King Saud bin Abdulaziz University for Health Sciences

Safety Policy Statement

King Saud bin Abdulaziz University for Health Sciences is committed in providing and maintaining high standards of health and safety within the organization. It is our belief that all impairment are preventable.

Health and safety is everyone's responsibility, all workers, students and visitors plays an important role in contributing to a healthy and safe workplace.

The University will continue to evolve its Health and Safety Management System through a process of continuous improvement with a focus to manage health and safety risks. This will be achieved in consultation with workers and Safety and Health Representatives with the objective to prevent workplace injury and illness.

The commitment by KSAU-HS is aiming to achieve the following:

- Ensure compliance with relevant legislation and the University's Health and Safety Management System.
- Promote an organizational culture that adopts health and safety as an integral component of its management philosophy.
- Ensure that health and safety is part of the business planning process and that it is adequately resourced by all areas.
- Maintain an effective mechanism for consultation and communication of health and safety matters.
- Maintain an effective process for resolving health and safety issues and managing health and safety risks.
- Provide appropriate health and safety training.
- Regularly review of health and safety performance to monitor the effectiveness of health and safety actions and ensure health and safety targets and objectives are being met.

APPROVED
